Effective immediately the Town has implemented two watering restrictions.

- 1) State mandated ban - no outside watering between 9:00 A.M. and 5:00 P.M.
- 2) Mandatory odd/even ban.
 - residents with odd numbered houses can water outdoors on odd calendar days between 5:00 P.M. and 9:00 A.M.
 - residents with even numbered houses can water outdoors on even calendar days between 5:00 P.M. and 9:00 A.M.

These restrictions are mandatory and enforceable by fines. Your assistance is greatly needed in an effort to avoid total outside usage restrictions. Please check our website for updates in this matter <https://www.hopedale-ma.gov/>
